

Instructions for Full Paper Submission

Full paper submissions can be made via your dashboard [here](#). To access the full paper portal please follow the steps below:

1. Enter your username and password
2. Select the 'Abstracts' tab in your dashboard
3. Select "View Submission"
4. Select "Upload a draft paper"
5. Select "Choose file"
6. Upload your full paper file (Word or LaTeX document only)
7. Select "Upload"
8. Select "Return to abstract dashboard"

Please note all submissions must strictly adhere to the following guidelines:

- Formatting should follow the Procedia Engineering template available on the [conference website](#).
- Title of the file should be made in this order '*PROENG_iHBE2016_authorslastname*'.
- Only source file (as Word or LaTeX document) should be submitted at this stage. The source file should embed figures and tables.
- Full papers should not exceed 10 pages.
- **An English check of the paper is required before submitting it.**

We look forward to receiving your submission and ask that you contact us on ah@asnevents.net.au or +61 3 2658 9530 should you have any queries.
