Australia's largest, most cosmopolitan and vivid city has a style of its own. Encompassed within its natural beauty, a diverse dining scene, an array of cultural attractions, art, and sport, Sydney is a place that is near perfect for climate. Sydney is one of the world's most unforgettable places to explore. No wonder it has repeatedly been voted the World's Best City by the Condé Nast Traveler Readers' Choice Awards.

Sydney is Australia’s iconic harbour city. Known as the City of Gardens, Sydney Opera House, Sydney Harbour Bridge, and Royal Botanic Gardens are just some of the many famous attractions. Sydney is a cosmopolitan city and offers the majority of activities and experiences in one location.

With its city climate, Sydney is a city of parks and beaches with a climate that is almost as comfortable as the sun and moon. There is an abundance of beautiful shorelines; Sydney is one of the world’s largest harbours where over 5400 boats can be found all year round. There are also 126 beaches and 500 kilometres of beaches in the city.

Sydney is Australia’s iconic city as the heart, home to the Formula One Grand Prix, Sydney Derby, Sydney Olympic Park, and Sydney Opera House. Sydney is a city for both visitors and locals, a perfect mix of world-class and everyday experiences, making it a city for all visitors.

Australia is known for its outback experiences, but Sydney is the perfect place to escape the heat. The city offers a great variety of activities from sandy beaches to iconic Harbour Bridge and Harbour area. Whether you're a first-time visitor, or have visited Sydney countless times before, the city’s energy and charm is something that will make you feel at home.

Whether you’re a first-time visitor, or have visited Sydney countless times before, the city’s energy and charm is something that will make you feel at home.

Sydney’s capacity and vitality drives through the calendar of events and attractions held across Sydney and New South Wales each year. These annual events offer spectacular opportunities for enhanced delegate experiences and bespoke itineraries, while reflecting the diversity and dynamism of Australia’s primeval multicultural city.

Travel opportunities are endless in Sydney, Australia’s largest, oldest, most cosmopolitan and exciting city has a style of its own. Encompassed within its natural beauty, a diverse dining scene, an array of cultural attractions, art, and sport, Sydney is a place that is near perfect for climate. Sydney is one of the world’s most unforgettable places to explore. No wonder it has repeatedly been voted the World’s Best City by the Condé Nast Traveler Readers’ Choice Awards.
